About SKP

SKP is a global professional services group with its principal areas of operations in business advisory, end-to-end finance and accounting solutions including attest function and taxation, business process management, and IT risk advisory. SKP's focus is to provide solutions which result in tangible business benefits and performance improvements.

Our multi-disciplinary teams serve clients from various geographies and industries ensuring global standards.

With over 80% of our client-base being international, we truly understand the needs of global companies and their expectations and our customized global solutions are designed to factor in local nuances. Our commitment is rooted in a passion for solutions, empowering our people and clients to achieve more.

SKP 360°

We look at ourselves as your partner and not just a service provider. We strive to learn every client's unique challenges by providing personalised attention, which enables us to arrive at relevant and innovative solutions.

We explore and examine all aspects of a situation, often delving into issues beyond the defined scope of work. With our collaborative approach, we are dedicated to ensuring that you receive our support throughout the business lifecycle.

We are your 360-degree-solution-providing partner.

Our Experience

Set up a unit for manufacturing urinary catheters for a global medical device manufacturer

Helped a Swiss company acquire a public limited company that manufactured process control instruments

Investigated potential misconduct by dealers in channel discounts/inventory reporting for a multinational healthcare company

Supported a leading pharmaceutical and surgical device multinational company with a third-party dealer's review and provided process improvement areas to prevent revenue leakages and future non-compliance with the terms of the contract

Investigated select clearing and forwarding agents to gather evidence on the misappropriation of stock and cash for a multinational cosmetic company

Advised a listed Indian company on the optimal holding company jurisdiction for it to make investments/acquisitions in 23 target countries

Advised a British pharmaceutical company on minimising tax in the UK and other jurisdictions on international royalty income from five countries

Planned for and obtained a lower withholding tax certificate for a NASDAQ-listed Israeli telecommunication software company

Assisted a leading Indian EPC contractor in structuring their business transactions to optimise indirect taxes on their offshore procurement of goods

Assisted a US-listed publishing company in formulating a global transfer pricing policy with respect to intra-group transactions with its Indian subsidiary and maintaining documentation under US and Indian regulations

Provided global controllership and compliance support for a multinational IT services provider, including indirect tax compliance for Australia and Singapore and payroll computations and compliance for Australia, Singapore, UK and South Africa

Handled complete suite of accounting and compliance services for over 100 multinational companies
