We deliver optimised global solutions. Our team offers a complete suite of services, independent advisory and holistic solutions for multinationals.
TRANSFER PRICING

- Started off in 2000 just before the advent of transfer pricing regulations in India
- Transfer pricing assignments for over 500 companies
- Defended assessments for clients across diverse industries with a high success rate
- Dedicated team of more than 35 people including Chartered Accountants, MBAs, Economists and Lawyers
- Subscribed to leading Indian and global databases such as BvD

For recent updates on transfer pricing (India and global), please take a look at our quarterly newsletter, Transfer Pricing 360°. Do share your comments and feedback with us.
**OUR SERVICES**

**Formulating and Implementing a Global Transfer Pricing Policy**
- Formulating and assisting in implementing an optimal transfer pricing policy considering transfer pricing issues, international tax, exchange control, value added tax, service tax and regulatory issues
- Aligning transfer pricing with client’s global business goals and objectives
- Developing transfer pricing strategies blending Indian and overseas tax requirements (global transfer pricing), with a special focus on the Asia-Pacific region

**Review Existing Transfer Pricing Policy**
- Ensuring adherence to transfer pricing policy (Indian and global)

**Tax-efficient Supply Chain Management**
- Restructuring business processes to be operationally and tax efficient
- With SKP’s subject-matter specialists, the transfer pricing team can assist companies not only in optimising tax expenses at a group level but also in optimising their global supply chains

**Assistance with Special Transactions**
Our services and expertise spans over all areas of transactions, specifically:
- Inter-company financing (loan and guarantee pricing)
- Royalty and other payments for intangibles
- Cost Contribution Arrangement (CCA)
- Management fee and other intra-group transactions
OUR SERVICES

Support in Benchmarking
- Benchmarking support by accessing Indian and global databases

Documentation
- Maintenance of robust documentation as per Indian and overseas jurisdiction requirements
- Assisting in compilation of ‘master file’ and ‘country-specific’ documentation

Certification
- Issuing Form 3CEB (CA or CPA Certificate) as required under Indian regulations encompassing international transactions as well as domestic transactions covered under transfer pricing

Competent Authority Negotiations, APA and Litigation Support
- Experienced in protecting clients' interests and defending the transfer pricing policy before the APA/competent authorities and even on-the-field tax authorities

Valuation
- Our experts assist clients in establishing fair valuations of businesses and intellectual property associated with business restructuring or mergers and acquisitions
**OUR APPROACH**

### Initial Ground Work
- Understanding the client’s business and its role in the group structure
- Mapping international transactions in the value chain

### Functional and Economic Analysis
- Analysis of functions performed, assets employed and risks assumed
- Economic characterisation
- Identifying internal comparable
- Selection of an appropriate method
- Draft/review the contractual agreement

### Database Search
- Performing a search based on international practices with access to Indian as well as global database (BvD)
- Review of comparables with the client

### Certification and Documentation
- Accountant’s certificate under Indian regulations
- Prepare transfer pricing documentation in accordance with country-specific regulations
- Create a ‘master file’ supported by supplementary analysis as required by local tax jurisdictions

### Representation and Risk Mitigation
- Appearing before the Indian Revenue Authorities at all levels
- Assisting and presenting the case before the competent authorities for APA/MAP

---

**Communication with Client**
OUR EXPERIENCE

- Formulated a transfer pricing policy to balance Indian and UK regulations for an Indian multinational software company which resulted in an effective tax rate of 1.59% for the Group.

- Assisted a US-listed publishing company in formulating a global transfer pricing policy with respect to intra-group transactions with its Indian subsidiary and maintaining documentation under US and Indian regulations.

- Advised one of the largest shipping companies in the world on changing their transfer pricing policy to remunerate its subsidiary from percentage-based commission to cost-plus which led to substantial tax savings.

- Advised a listed Indian company (the largest paint manufacturer in India) with 23 subsidiaries overseas in formulating an intra-group management fee policy from a transfer pricing perspective.

- Advised a speciality packaging company having various subsidiaries across the globe on alternative approaches to formulate arm's length guarantee charges or fees.

- Assisting an Indian listed pharmaceutical major in restructuring its supply chain thereby making the structure tax-efficient – both from a corporate tax and indirect tax perspective.
The Client
An Indian multinational software company

Our Engagement
Formulating a transfer pricing policy that maximises after-tax cash flows for the group while balancing Indian and UK transfer pricing regulations

The Solution
- Effective tax rate for the group as a whole as low as 1.59%
- Huge tax savings for the client

Our Service Edge
- Cost Plus Method with search on UK’s database
- Optimising tax exemption benefits in India
- Transfer pricing representation in UK and India and policy accepted by UK and Indian IRS
The Client
A leading international shipping firm

Our Engagement
Formulating a transfer pricing policy with respect to transactions with its subsidiary (agent of foreign company in India) that minimises the overall taxes of the group

The Solution
- Incidental shipping income not taxable in India (Article 8 of the Tax Treaty)
- Tax savings of INR 123 million for 3 years and counting

Our Service Edge
- Re-characterisation of the Indian agent as a service provider, changing the method of remunerating the agent from commission basis to cost-plus basis, and transferring all incidental shipping income to the parent company
- Minimising taxes in India with respect to the agent’s income
**DELIVERING VALUE**

**The Client**
A leading global cosmetic company

**Our Engagement**
Defending the management fee charge by the foreign parent to the Indian subsidiary before the Indian transfer pricing authorities and defending the pricing method used by the taxpayer against the method used by the tax authorities at the audit and appellate level

**The Solution**
- No adjustment on account of management fee, which in earlier years had been entirely disallowed
- Huge tax savings for the client over a span of 5 years and counting

**Our Service Edge**
- Demonstrating to the Indian transfer pricing authorities at various levels, the benefit derived by the Indian subsidiary and passing the benefit test and defending the transfer pricing method used by the taxpayer, based on the facts of the case, OECD Guidelines, Indian Regulations and Court Rulings
- Appellate orders in favour of the taxpayer
DELLIVERING VALUE

The Client
A listed Indian company (the largest paint manufacturer in India)

Our Engagement
Formulating an intra-group management fee policy for 23 subsidiaries across the globe

The Solution
Devised a transfer pricing policy to charge management fee across all subsidiaries

Our Service Edge
- The proposed solution was a balancing act based on Indian and global requirements
- We also suggested the relevant documentation to be maintained for the purpose of a benefit test
- Acceptance of the policy in India and overseas
The Client
An Indian multinational providing communication and enterprise IT services

Our Engagement
A review of inter-company transactions between the parent and its worldwide subsidiaries, and between two international group entities, besides specified domestic transactions of the parent with its local entities to check adherence to existing transfer pricing guidelines for ensuring compliance with Indian transfer pricing provisions

The Solution
- Identified areas of non-adherence to internal guidelines from an Indian transfer pricing perspective
- Highlighted possible avenues of revenue leakage due to deficiency in documentation

Our Service Edge
- A detailed study and in-depth analysis of processes followed enabled us to highlight flaws in the documentation method
- Recommended the client to strengthen its documentation from a transfer pricing perspective to keep the enterprise assessment ready
We are a leading professional services group providing a wide range of solutions for Indian and international businesses.

50+ years of experience in accounting, advisory, assurance and tax

1200+ active clients including Fortune 500 companies, multinationals, and companies listed on global exchanges

1000+ employees from accounting, legal, tax, engineering, management and other diverse backgrounds

45+ countries where we have our clients
Our mindset is that of a partner, not a service provider.
Our approach is holistic, often leading to innovative and groundbreaking solutions.
Our objective is to provide the best solution, even if it means going beyond the defined scope of work.

Our approach towards our clients is simple – we look at ourselves as your partners and not just service providers. This frame of mind allows us to work in your best interests, leaving no stone unturned in ensuring that even the most complex assignment is handled as seamlessly as possible.

We place utmost importance on and strive to learn every client’s unique challenges by providing personalised attention, thus arriving at relevant and innovative solutions.

At SKP, we explore and examine all aspects of a situation, often delving into issues beyond the defined scope of work. We are your 360-degree-solution-providing partner.
Since inception, our founders have emphasised on professional standards and personalised service; and we continue to reflect this progressive mind-set by offering customised solutions to our clients across diverse industries with quality, integrity and respect.

We recognise the needs of globally focused businesses as varied, requiring not merely solutions, but 360-degree solutions. Stemming from our client’s needs, we provide services that address all aspects relevant to a business right from conceptualisation to implementation and continuance.”
Maulik heads transfer pricing and international tax with years of experience in cross-border tax. His core practice is advising multinational corporations with Indian and foreign transfer pricing rules in all contexts, including planning, litigation, APAs, and contemporaneous documentation studies. He has experience in international tax planning matters including inward investment, cross-border investment structuring, contract structuring, permanent establishment issues and expatriate tax. He has served clients with complex advisory requirements across various sectors, including information technology, electronics, financial institutions, private equity and asset management, automotive, consumer products, pharmaceuticals, medical devices, and manufacturing. He writes regularly for leading international and Indian tax journals and portals, and addresses forums at Indian and global platforms.

Kamlesh has over eight years of consulting experience in handling a wide variety of transfer pricing assignments across industries including services, automotive and auto ancillaries, software and hardware distribution, electronics and pharmaceuticals. His experience in transfer pricing includes assisting multinationals in tax planning, developing transfer pricing policies, core transfer pricing documentation, reviewing cost sharing models and valuation assignments. His experience also includes an international assignment (23 months) with a Malaysian firm to get exposure into South-east Asian transfer pricing regulations. Kamlesh actively participates in representation before the revenue authorities at various levels involving transfer pricing audits. He is also engaged in multiple APAs (unilateral and bilateral) assignments involving clients operating in the technology space.
Meghnand has over eight years of experience in transfer pricing with more than six years with the Big 4 accounting firms. He has handled complex transfer pricing and international tax assignments. His strengths include handling advance pricing agreements, tax-effective supply chain management, permanent establishment exposure and attributions and high-pitched transfer pricing litigations.

An all-India ranker in the chartered accountancy and company secretarial examinations, Umang has more than 5 years of experience in transfer pricing, international tax and foreign exchange regulations in India. He has advised clients in formulating transfer pricing policies, litigation and handling tax and transfer pricing compliances. He is well versed in industries such as software, shipping, infrastructure, pharmaceuticals, etc. He has also written articles in professional journals and has addressed various forums in India on the subject of transfer pricing.
